FROEBEL HUMBLER HAMMOND

Gary's Crack Team Overwhelms Old Rival By 41-0 Score

Froebel high school's formidable gridiron warriors tightened their grip on the Northern Indiana and state title platoon at Hammond field in Gary before two thousand fans Saturday afternoon defeating their ancient rivals, Hammond, by an overwhelming score of 41-0.

Emerson also won the right to continue its fight for the much coveted state and northern Indiana championship by defeating the crack Rensselaer high school aggregation at Rensselaer by a decisive score of 28-13. It was Emerson's first out of town game of the season. Neither Emerson or Froebel have lost a game this year.

The outcome of the Hammond-Froebel clash came as a huge surprise as few were of the opinion that Froebel would be able to run up so large a score, even with Hammond's crippled line-up.

Froebel took the first out of the Hammondites in the first three minutes of play when they rushed Hammond off their feet and took the oval over for the first touchdown. Only once did the Hammond players show any creditable strength and this was after Froebel's first touchdown, when they carried the pigskin to the five yard line but were unable to make their downs.

Hammond's line was sadly weak and Froebel took advantage of the fact. The southwest elders tore through the Hammond center, guard and tackle positions as if the line were of paper. Hammering away at the line, Quarterback Polk of Froebel sent his team-mates down the first for a second touchdown in the second quarter, the half ending by a score of 13-0 with Froebel carrying the ball in Hammond's territory.

In the third quarter the Froebelites simply carried the visitors off their feet. Forward passes, and runs and line plunges through Hammond's weakened line, netted Gary three more touchdowns. They scored their sixth touchdown in the last quarter after Polk picked a forward pass out of the air, netting Gary 40 yards and putting them on the seven yard line.

Polk, Piazza, Hattrick and Shubert put over the stellar work for Froebel. Not accustomed to the hard clay surfaced gridiron Hammond men received as many injuries one of their stars, Rogers, going to the sidelines in the early part of the game. Froebel was not compelled to take a man out of the game on account of injuries.

Hammond went into the game without Capt. Kleighe who is sick. Kleighe is a punting field and can be depended upon to boot his team out of sight places. Cunningham who took his place had never before punted in a game and the rest of the team was in the dumps. He demonstrated that their fears were useless but it did not brace up the morale. He outplayed Gary at every time he measured strength with the opposition.

Atop this blue funk came still more gloom when Kennedy, star quarterback for Hammond, and the mainstay of the team, was knocked out just before the close of the second quarter. The team had been making a fair showing up to that point but from then on it was a losing game. Gary hammered straight ahead making gains through the line and around ends.

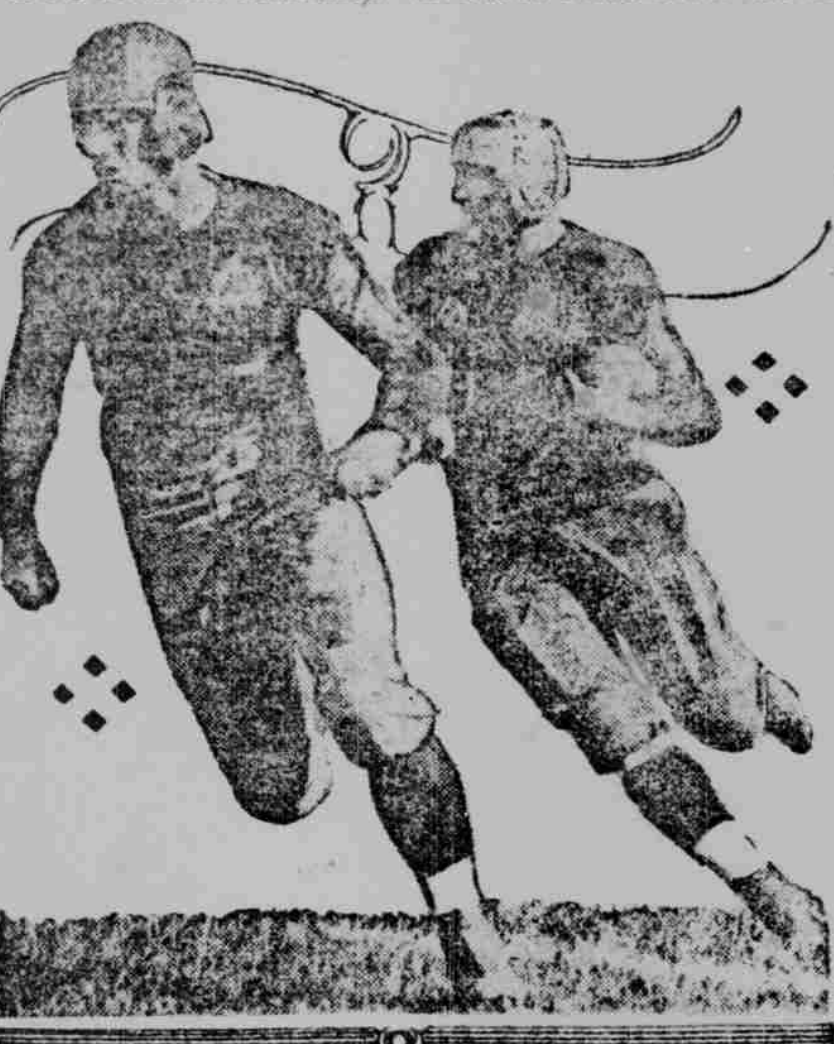

Hammond showed much improvement over the form shown in the game with Mithawaka. This was particularly noticeable in the way they broke up Gary's attempts at forward pass. Out of the numerous attempts made, Froebel was able to complete only two passes.

Polk, Froebel's quarterback, was the outstanding figure of the game and was credited with most of the scoring for his team. The Gary lads showed Coach Yecker's constant training on interference, for once the ball started moving it was protected from every angle. This perfect interference more than any other one feature may be blamed for Hammond's downfall.

Two Boy Scout teams from Hammond were beaten by Gary Scout teams at Emerson field earlier during the day.

FOOTBALL THRILL—A RUN AROUND END

Captain Harlan giving Quarterback Barron of the Georgia Tech team interference at the start of a sensational run.

There is action aplenty in this photo, snapped at a recent game in which the work of these two men featured. Captain J. W. Harlan, fullback of the famous Georgia Tech "Golden Tornado" team, is off in front of Quarterback "Ted" Barron of the Tech squad, carrying the ball for a long run around the left end. Harlan is picking his man before them. Barron is sizing up the field ahead of him.

WHITING OVERWHELMS VALPARAISO

BY OLIVE DRAB

WHITING, Ind. Oct. 24.—The Whiting Friars to a large crowd again demonstrated by a score of 39 to Valparaiso's 0 that they are superior to anything that has showed up here yet in the football line. They opened up Sunday on end runs by Kekich, the wonderful little quarterback, Thiesen, the end, and Adley, the hard fighting halfback. They also worked the forward passes beautifully from Kekich to Thiesen who made two touchdowns. The boys then showed them that they could buck the line and put the oval across for another one. It was carried forward by Kekich, Turner and Bend making a nice hole for him to get through. The latter pass was also used to advantage and mixing this up with the end runs and shift plays they had Valpo all muddled up and ran away from them at will.

Then Valpo, getting the ball, attempted a forward pass and Burke intercepted it, got away from all of them and made another touchdown. There was a large crowd rooting all the time when Tommy Naef and Butch Opat Bones and Keefe took hold of the ball to carry it forward. The tackling of the Whiting boys was spectacular and kept the mob in an uproar at all times even when Valpo had the ball. Ted Brown was knocked out for a few and made another touchdown. The subs were worked in this game to a good advantage and all the boys showed up well.

The Valpo boys were of a very high class and it was sad to see two of them men get badly hurt one man getting a broken arm and one several broken ribs. They played a nice clean game and are a good heavy team but the Whiting Friars showed by their work that they have been well coached. They will perfect more new plays during this next week and the fans can look for some of them in the next game the Friars take part in which will be Sunday October 30 on the Friars field. The opponents will be announced later.

The management of the Friars are well pleased with the attendance at the home grounds and hope they will continue to visit these good grounds every Sunday.

CARDINALS BEAT COLUMBUS, 17-6

Looking the services of Paddy Driscoll in the first five minutes of play, the Chicago Cardinals had the battle of their lives to defeat the Nessler family and the other seven-eleventh of the Columbus Panhandles yesterday afternoon at National Park. The Cardinals got started in the second half and won, 17 to 6, to the delight of 6,000 or more of Chris O'Brien's customers. Injured a week previous, Driscoll was carried off the field, this time with a couple of smashed ribs.

PASS WINS FOR STALEYS, 7 TO 0

After battling three periods without a score, a steady drive down the field, ending with a forward pass across the goal, gave the Staleys a 7 to 0 victory over the Dayton Triangles at the Cub park yesterday. More than 10,000 saw the contest. Sternaman and Haines were the heroes of the Staley victory, collaborating on the pass that resulted in the only score of the game. Chick Harley also was very much in evidence, his runs twice bringing the ball within scoring distance.

I. H. DODGERS DEFEAT MARKS 12-6

BY "CHUCK"

The Dodgers triumphed over the Marks here last Saturday 12 to 6, in a great football exhibition. The Dodgers beat Marks through the line, smashing the Marks wall repeatedly. Eaola who was playing right half-back, smashed through the Marks line for big gains. Eaola's wonderful long passes saved the Dodgers. The Dodgers outplayed the Marks throughout the first half and the hammering attacks of the Midway backs accounted for some hefty gains. At promptly 1:30 p. m. Capt. Fox led the Dodgers squad out upon the field for a warming up drill. The work consisting of chiefly of heaving the ball about and kicking. The backfield played a new game while the line holding like a stone wall provided a big factor for the Dodgers. A long pass to Fox by Eaola, resulted in a touchdown for the Dodgers. Fox catching the ball on Marks 8 yard line, dashing across for a touchdown. T. Cohen who was playing left half for the Dodgers made nice line plunges also while Amick the full-back made runs and labounty who replaced T. Cohen made line plunges. Fox, the Dodgers quarterback whose heart was in the game gave short, quick signals. The game ended on the Dodgers' 30 yard line. The lineup:
